

Equi-Librium® Aluminium

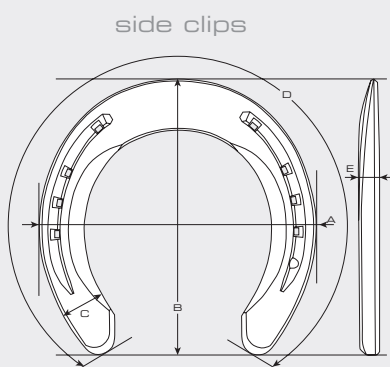

Since its introduction, the Equi-Librium® horseshoe has become the premier choice for top sport horses, and for anyone who wishes to enhance performance and reduce injuries. The Equi-Librium® Aluminium performs as smoothly as the steel version, with significantly less weight. When a fraction of a second can make the difference between winning and losing, the Equi-Librium® Aluminium provides a distinct advantage.

Unique features

- 65 percent lighter than steel
- no steel insert to ease the anatomically ideal wearing pattern of Equi-Librium®

Recommended nails for this product

- LiBero-ARC®
- EXL®
- E-slim
