

RN nail

The Mustad "M" is always stamped on the inside of the nailhead and is placed on the same side as the bevel, as a simple guide for the farrier.

The **RN nail – Race Nail** – is a classic American nail for racehorses which has been specially developed for U-fullered horseshoes. It is a versatile nail that specifically is designed for race horses.

Precision, perfection and reliability are the definitive features of Mustad nails. Production of Mustad nails has a minimal tolerance, as quality is always our prime consideration.
